DESCRIPTION

The Metro headlamp is both comfortable and high-performance. It features a hands-free switch: simply wave your hand across the front to turn it on or off. This feature allows you to enjoy your activities or work with complete freedom. The light is clip-on and adjustable. It can also be placed on a surface, becoming a true table lamp. Water-resistant, it's an essential tool for outdoor activities. Powerful yet lightweight: Equipped with a latest-generation 2W COB LED (6000K 150lm); the lamp is designed to provide diffused, glare-free light; it weighs only 130g; the elastic band is easily adjustable. Switch operation - short clicks: 100% light / 50% light / solid red light / flashing red light / OFF - long click: the switch turns red and the hands-free function is activated; simply wave your hand in front of the lamp to turn it on/off. Versatile and durable: the lamp is mounted on a pivot that allows it to be rotated 360°; it can also be placed on a table and therefore used as a table light; waterproof (IPX4) is protected from splashes of water; in the rain, the lamp works normally; ideal for all outdoor activities such as running, camping, cycling, night fishing, and car repairs; it is also equipped with a clip for attaching to a baseball cap. Rechargeable via USB cable (50cm, included): Built-in 500mAh lithium battery; when the lamp is charging, the switch LED turns red, when fully charged, the LED turns blue; no need to buy batteries; battery life: up to 6 hours (50% light), 3 hours (100% light).
