DESCRIPTION

【Large Lens, Wide Field of View】 The 100mm giant lens provides a wider field of view than traditional lenses, allowing you to view more content and reduce eye strain. 【6X HD Zoom】 True 6X magnification, thick and clear optical-grade glass lens, high precision, wear-resistant and scratch-resistant. View excellent images without distortion. 【Non-slip Rubber Grip】 The grip is made of non-slip rubber: it is pleasant to the touch, soft and comfortable. Furthermore, the lens is well-balanced to avoid wrist fatigue. 【Durable Structure】 The reinforced structure ensures excellent lens stability: it does not shake or move. The rubber frame protects the glass lens from damage. 【Ideal Magnification】 Suitable for viewing books, newspapers, and maps, jewelry, and crafts. Perfect for checking equipment and repairing watches. Also ideal for camping, hiking, and any other outdoor activity.
