DESCRIPTION

Distortion-free glass magnifying glass, precise magnifying glass diameter: 60mm. The lens provides 5x magnification and offers a clear, detailed image of the magnified object. With movable arms and crocodile clips that can be adjusted to an infinite number of angles, allowing for hands-free use. The heavy cast iron base is sturdy and the zinc alloy body ensures stable support and long life. An indispensable aid for model makers, DIYers and professionals, ideal for any application where a "third hand" is needed.
