## TECHNICAL DATA

Name	SLURP
Power supply	AC/DC
Power supply provided	YES
Type of power supply provided	AC/DC ADAPTOR
Lighting source	UV LED
Electricity consumption (W)	5
Lamp included	(INCLUDED)
Power cord length (cm)	110
Switch	YES
Functions	ON / OFF
Plug	Type C/EF - 2 pin (Europlug/FR-DE Hybrid WITHOUT EARTH)
Protected area (m <sup>2</sup> )	15
IP Protection	IP20
Insulation class	II
Color	WHITE
Country of origin	CHINA
Material	PLASTIC - ABS
Warranty	2 YEARS
Width (mm)	145
Depth (mm)	145
Height (mm)	220
Net weight (Kg)	0.590

## DESCRIPTION

Super effective: Our electric mosquito killer is equipped with high-intensity UV LEDs that attract all pesky flying insects to the device. The built-in fan sucks in the insects, trapping them in the special tank and drying them out in just a few days; effective for areas up to 15m<sup>2</sup>. No chemicals or odors; our electric mosquito net uses no chemicals whatsoever; it also produces no smoke, no odor, no spray; it is completely free of toxic substances and produces no pollution whatsoever; it is also completely harmless to humans and pets; perfect for children's rooms or bedrooms. Easy to use and clean; Our electric mosquito killer is easy to use: just plug it in; dead insects are collected in the tray on the base, which can be easily removed for disposal and cleaning; easy to clean with the small brush provided. Safe and durable - our electric mosquito killer is made of ultra-resistant ABS plastic; it's designed to avoid any contact with metal grates. The charger is included: it's ready to use straight away. SILENT: The SLURP suction mosquito net is very quiet and does not produce annoying sparks because it does not electrocute the insects but traps them and dries them out.
