Colour Box	6	6

TECHNICAL DATA

Power supply	220V AC
Power supply provided	YES
Type of power supply provided	POWER CABLE
Lighting source	UV FLUO
Electricity consumption (W)	14
Lamp included	(INCLUDED)
Power cord length (cm)	130
Switch	YES
Plug	Type C/EF - 2 pin (Europlug/FR-DE Hybrid)
Grid tension	800V/1000V
Protected area (m ²)	30
Insulation class	II
Country of origin	CHINA
Material	PLASTIC - ABS
Warranty	2 YEARS
Width (mm)	170
Depth (mm)	98
Height (mm)	228
Net weight (Kg)	0.788

DESCRIPTION

Super effective: Our electric mosquito killer is designed with a high-intensity ultraviolet bulb that attracts all pesky flying insects into the device. The built-in fan sucks in the insects, killing them instantly when they come into contact with the powerful, high-voltage metal grids. Effective for areas up to 30 square meters. No chemicals or odors; our electric mosquito net uses no chemicals whatsoever; it also produces no smoke, no odor, no spray; it is completely free of toxic substances and does not produce any form of pollution; it is also completely harmless to humans and pets; perfect for children's rooms or bedrooms. Easy to use and clean; Our electric mosquito killer is easy to use: just plug it in; dead insects are collected in the tray on the back, which can be easily removed for disposal and cleaning; easy to clean with the small brush provided. Safe and durable - our electric mosquito killer is made of ultra-resistant ABS plastic; it has been designed to avoid any contact with metal grilles; the energy-saving and efficient VU bulb (14W) has a lifespan of 8,000 hours and can be replaced if necessary. Quality and service: Velamp is an Italian company that has been operating on the Italian market since 1906; we are here for you.
