## DESCRIPTION

Elegant design: the 15W and 1500 lumen round lamp offers a contemporary and simple design; it is easy to mount both on the wall and ceiling; the LED light makes the lighting uniform and soft; IP65: suitable for both indoors and outdoors. Light color selection: With CCT technology you can choose your favorite light color at any time! Thanks to the simple integrated switch you can (without opening the lamp) choose between: warm light (3000K), natural light (4000K) or 6500K (cold light). Waterproof: The lamp is designed for both indoor and outdoor use thanks to the high protection grade IP65, waterproof and dustproof; ideal for bathroom, balcony, living room, corridor, workshop, garage, garden etc. Special connection box that will allow you to connect the lamp in a simple, fast and durable way. Quick connectors for connection to the electrical network and quick mounting bracket. Quality and reliability: the quality of the round ceiling light is proven by TUV certification; the lamp is not dimmable and has a lifespan of 30,000 hours. It is also made of polycarbonate, a material highly resistant to shocks and UV rays.
